

Midlands STEM Charter School
4th Annual

LAPS OF LOVE

Friday, October 30
9:00 am

Students, staff, and our MSCS families are invited to join us in our 4th Annual Laps of Love walk.

Join us in honoring members of the Midlands STEM Family who have been affected by cancer! Please wear pink, green, orange, blue, or the color of the cancer you wish to represent. We ask that all participants consider donating \$15 or more for our walk. **All money raised will be donated to Marie Milam, honoring our Co-Founder, who is bravely fighting Stage Four Metastatic Melanoma.** The homeroom class that raises the most money will receive an ice cream sundae party.

Families that would like to participate MUST register by October 28th by 4:00 pm. You can register by completing the registration form or by coming into the front office. Let's join together to recognize, honor, remember, and show our support.

Laps of Love Registration

MSCS students do NOT need to register. Registration is for parents and other family members. Complete registration form and turn in to the front office.

Name of all participants: _____
